**CLASSIC COMPUTER RECOVERY AND RECYCLE ANN ARBOR  
HOST FREE COMPUTER AND PERIPHERALS COLLECTION EVENT  
FOR SCHOOLS AND GOVERNMENT OFFICES**

---

**November 28-30 at Washtenaw County Regional Drop-Off Station**

**Ann Arbor, MI** – Classic Computer Recovery (CCR) and Recycle Ann Arbor are teaming up to host a free computer recycling event for schools and government offices on November 28, 29 and 30, from 9 a.m.-5 p.m. each day. The event is one of many activities being held nationwide throughout the month of November to celebrate America Recycles Day, November 15.

From November 28-30, schools and government offices may dispose of their computer electronics free of charge, in an environmentally-friendly manner. The collection location is the Washtenaw County Regional Drop-Off Station, located at 2950 East Ellsworth in Ann Arbor.

Acceptable items include computers (PCs), all-in-ones, laptops, modems, printers, monitors, CD-ROM drives, keyboards, mice, cables, hard drives and motherboards. These are the only items that will be accepted.

*(continued next page)*

Schools and government offices wishing to participate in the collection event must make an appointment by contacting Laura Charnota, CCR Director of Purchasing-Schools, at (734) 732-1784. Drop-off appointments are available between 9 a.m. and 5 p.m. on November 28, 29 or 30.

Although electronic equipment is not banned from landfills, the components often contain materials, such as heavy metals, that are hazardous to human health. CCR and Recycle Ann Arbor specialize in electronic recycling, and are capable of recycling more than 95 percent of the materials and components that will be accepted at the collection event.

Classic Computer Recovery is located in Garden City, Michigan, and is dedicated to preventing disposal of computer electronics in landfills through cost-effective and environmentally-friendly means. For more information about Classic Computer Recovery, please call (734) 732-1784 or visit [www.classiccomputerrecovery.com](http://www.classiccomputerrecovery.com).

The Washtenaw County Regional Drop-Off Station is operated by Recycle Ann Arbor with support from the City of Ann Arbor, Washtenaw County, and Pittsfield Township, and is the state's largest community drop-off center. For more information about the Drop-Off Station, please call Recycle Ann Arbor at (734) 662-6288, or visit [www.recycleannarbor.org](http://www.recycleannarbor.org).
