**RECYCLE ANN ARBOR ANNOUNCES SECOND ANNUAL
EARTH DAY ESSAY CONTEST**

Topic: "How can recycling help stop global warming?"

**First-Prize Winner to Receive \$500 U.S. Savings Bond
Winner's Classroom to Receive Free Recycling Workshop**

Ann Arbor, MI – Recycle Ann Arbor, a national leader in recycling and waste programs, announces its second annual essay contest in celebration of Earth Day (April 22). The contest is open to students in 5th and 6th grades, ages 10-12, who reside and attend school in Washtenaw County.

The first-prize winner of the essay contest will receive a \$500 U.S. savings bond, and the winning essay will be posted on Recycle Ann Arbor's Web site. The first-prize winner's school classroom will also receive a free recycling workshop. Five honorable mention awards will also be given. Each honorable mention winner will receive a \$50 gift certificate to a local book store.

Essays should be from 500-750 words in length, and must be received by March 24, 2008. The winner will be announced on April 8. Complete contest information and the contest entry form are available at: www.recycleannarbor.org.

"The celebration of Earth Day provides a great opportunity to encourage students to think about the future of the planet, and about how conserving resources plays a critical role in saving the environment," said Recycle Ann Arbor CEO Melinda Uerling. "We are excited to offer students this forum to share their creative ideas."
